

Braille Student Readiness Tools Order Form

The district must fill out this order form to request braille versions of the Student Readiness Tools (SRTs). Braille SRTs should be ordered on a student-need basis and can be used by multiple students. Additional materials should not be ordered for district sample purposes. Requests should be made only for currently enrolled students requiring braille.

Please attach order form and email to the attention of the MN Program Team at mnprogramteam@pearson.com. After emailing to Pearson, please allow one week for arrival.
