Upcoming Spring
District Assessment Coordinator Trainings

Pearson will be providing training sessions on some of its systems for District Assessment Coordinators and any other interested staff in the district in preparation for MCA and MTAS 2017. The trainings will be recorded, and session recordings and PowerPoint presentations will be posted to the Training Management System 2-3 days after the first session.

The table below contains the training topics, high-level agendas, dates, and links to join each session on the day of the training. Please note that each training is limited to the first 150 participants. No registration is required.

For each session, the call-in phone number, conference code, and password will be the same:

- Call-in phone number: 1-877-554-0877
- Conference code: 571 468 0293
- Password: Pearson

Training and Topic	Date and Time	Meeting Link
PearsonAccess Next: For Experienced DACs Overview of what's new for MCA and MTAS 2017: - MCA: adding students to test sessions, printing student testing tickets and session rosters, preparing test sessions, unlocking/locking student tests, indicating test/accountability codes, and data entry - MTAS: assigning teachers to student tests, entering LCI and student scores, indicating test/accountability codes, and score entry status reports	Tuesday, Feb. 14 1–2:30 p.m.	Select this link to join the webinar on Feb. 14.
