- Use this form to collect student scores and responses during test administration.
- Administer all tasks for each applicable subject.
- Districts **must** enter MTAS data online in PearsonAccess Next during the test window; Pearson does **not** score any paper materials.
- This form must be kept on file in a secure location for one year following test administration.
- In preparation for the new Alternate MCA, tasks 10–15 of the Science MTAS and Reading MTAS are field test items. Although they do not count towards the student’s score, these tasks are **required** to be administered to students.
