

2019 TestNav Application Blacklist

Pearson has blacklisted the applications in the table below which will prevent TestNav from opening if any of the applications are running on the testing computer or device. If one or more of these applications are running when a student launches TestNav, the student will receive an error message that states they cannot test with an application running in the background.

Application	Platform
Internet Explorer	Windows
Edge	Windows
Google Chrome	Windows & MacOS
Firefox	Windows & MacOS
Safari	MacOS
iTunes	MacOS
Outlook Mail	Windows
Skype	Windows & MacOS
Webex	Windows & MacOS
Lync	Windows & MacOS
Pandora	Windows & MacOS
Youtube	Windows & MacOS
Facebook	Windows & MacOS
Quicktime	Windows & MacOS
Jing	Windows & MacOS
Screen-o-matic	Windows & MacOS
