Administration Questions for Test Administrators

Question 1: Administration Mode

This assessment can be administered in either online only, paper only, or a hybrid format to meet student needs. For the majority of this administration, how did the student engage in the test form?

Online with Test Administrator Support: The Test Administrator guides interactions and supports the student's use of the online test form.

Online independently: The student interacts directly with the online test questions and materials with test administrator supervision.

Paper: The student and Test Administrator use only paper materials for testing.

Hybrid: The student and Test Administrator use both paper test materials and the online test form for support during test administration.

Question 2: Object Usage

Were objects or manipulatives used when administering any part of the test to this student?

Yes

No

Question 3: General Feedback

What should MDE consider in the future to support the administration and recording of student responses for this new alternate assessment?
